FAST EXPRESS TRANSPORT LIMITED

Delivering Reliability. Building Long-Term Partnerships.

Fast Express Transport Limited is a UK-based transport and haulage company providing reliable, professional and time-critical delivery solutions for businesses across the West Midlands, Birmingham, the Black Country, Coventry, London and throughout the United Kingdom.

Within the first three weeks of operation, Fast Express Transport Limited earned 12 five-star customer reviews—an early reflection of the professionalism, responsiveness and care delivered on every assignment.

We understand that when a business entrusts us with its goods, it is also trusting us with its reputation. For that reason, every collection and delivery is completed with care, professionalism and close attention to detail.

Our objective is not simply to transport goods. Our objective is to become a trusted logistics partner for every customer we serve.

OUR PHILOSOPHY

Every delivery matters.

Every customer matters.

Every deadline matters.

Where We Are. Where We Are Going.

OUR MISSION

To provide dependable, cost-effective and professional transport services that enable businesses to operate efficiently, knowing their deliveries are in safe hands.

OUR VISION

To become one of the UK's most respected independent transport companies by building long-term partnerships based on trust, reliability and exceptional customer service.

BUILT FOR THE LONG TERM

We are building our business for the long term. As demand grows, we intend to expand our fleet, recruit additional professional drivers and increase our operational capacity while maintaining the same high standards that have earned us excellent customer feedback.

Growth will never come at the expense of quality. Every new vehicle, every new driver and every new customer will strengthen our commitment to delivering outstanding service.

"Growth without compromising quality."

The Standards Behind Every Delivery.

Five principles guide the way Fast Express Transport Limited works with every customer, on every assignment, from the first enquiry to the final delivery.

Reliability

Businesses rely on transport providers to keep their operations moving. We take that responsibility seriously and approach every collection and delivery with a strong commitment to punctuality and care.

Professionalism

Every customer receives courteous, honest and respectful service from the first enquiry through to final delivery.

Communication

Clear communication creates confidence. We keep customers informed throughout the delivery process and respond promptly when support is required.

Integrity

We do what we promise. We arrive when agreed, handle goods responsibly and work hard to deliver safely and on time.

Continuous Improvement

Every delivery gives us an opportunity to improve. We continually look for ways to strengthen efficiency, customer experience and service quality.

On the road for our customers — day and night.

Flexible Transport Solutions.

Fast Express Transport Limited provides flexible transport and haulage solutions for businesses of every size. Whether a customer requires a one-off urgent collection or an ongoing transport partner, every assignment receives the same high level of care and professionalism.

01 Same-Day Delivery

Fast and responsive transport for deliveries that need to reach their destination on the same day.

02 Dedicated Vehicle Services

A dedicated vehicle assigned to the customer's goods, providing a direct and focused transport solution.

03 Business-to-Business Transport

Professional collections and deliveries between offices, warehouses, suppliers, retailers and commercial locations.

04 Multi-Drop Deliveries

Efficient transport support for assignments involving multiple delivery points.

05 Nationwide Collections & Deliveries

Flexible collection and delivery services throughout the United Kingdom.

06 Time-Critical Deliveries

Dependable support when goods must arrive within an important operational timeframe.

07 Urgent Transport Solutions

Responsive transport services for unexpected, high-priority or last-minute requirements.

08 Contract Distribution

Consistent transport support for businesses requiring scheduled or ongoing distribution services.

09 Overflow Transport Support

Additional capacity for companies experiencing seasonal demand, vehicle shortages or unexpected workloads.

10 Scheduled Delivery Services

Planned collections and deliveries arranged around the customer's operational schedule.

Highlighted services indicate our most requested time-sensitive solutions.

A Simple, Dependable Four-Step Process.

01

STEP Request

The customer contacts Fast Express Transport Limited with the collection, delivery and scheduling requirements.

02

STEP Confirm

We confirm availability, collection details, destination and the agreed transport arrangement.

03

STEP Collect

Our professional driver arrives at the agreed location and handles the collection carefully and responsibly.

04

STEP Deliver

The goods are transported directly and delivered in accordance with the agreed requirements, with clear communication throughout the journey.

Simple coordination. Clear communication. Dependable delivery.

OUR SERVICE COMMITMENT

Our commitment is to provide a responsive, professional and dependable transport experience from the first enquiry to the final delivery. We treat every assignment with care because we understand that our service directly supports our customers' operations and reputations.

Why Businesses Choose Fast Express Transport.

Experienced Drivers

Our two drivers are fully qualified, highly experienced, fully licensed and committed to professional standards on every assignment.

Responsive Service

Transport requirements can arise unexpectedly. We respond quickly and provide practical solutions for urgent and time-sensitive requests.

Available 24/7

Our 24/7 availability allows customers to contact us whenever an urgent transport need arises.

Clear Communication

Customers should feel informed and confident. We provide clear updates and remain accessible throughout the transport process.

Customer-Focused Approach

Every customer is treated as an important business partner. We listen carefully, understand the requirement and tailor the service to the assignment.

Nationwide Coverage

We support businesses across the West Midlands, Birmingham, the Black Country, Coventry, London and throughout the United Kingdom.

Flexible Support

From individual same-day assignments to scheduled and contract transport, our service adapts to different business requirements.

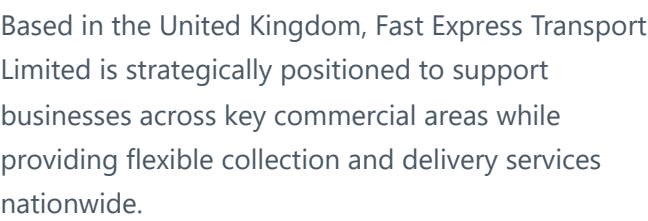

Strong Early Reputation

Twelve five-star customer reviews within our first three weeks reflect the care, reliability and professionalism delivered from the beginning.

12 five-star customer reviews received during our first three weeks of operation.

Our local knowledge and responsive operating model enable us to support both planned transport requirements and urgent assignments across the country.

"From local collections to nationwide deliveries, we keep businesses moving."

Building the Future Together.

At Fast Express Transport Limited, we believe successful transport partnerships are built on trust, communication and consistency.

Our ambition is to develop long-term relationships with businesses that require dependable transport support day after day, week after week and year after year.

Our investment in customer service today is laying the foundation for a larger fleet, additional professional drivers and expanded nationwide coverage in the future. As our customers grow, we intend to grow alongside them.

+ GROWING TOGETHER

As our customers grow, we grow alongside them — adding capacity, drivers and coverage in step with real demand.

WE ARE ACTIVELY SEEKING PARTNERSHIPS WITH COMPANIES REQUIRING
